

# Evidence-based **Student-centred** Meaningful outcomes

**Berengarra** is a specialist independent secondary school for students in Years 7–12 who need a different kind of learning environment.

Since 1977, we've provided a supportive and inclusive alternative for young people whose wellbeing comes first and learning is personalised.

## WHO WE SUPPORT

Your young person might be a good fit for Berengarra School if they:

- Are navigating anxiety, autism, ADHD, or trauma
- Feel overwhelmed or unsafe at school
- Have stopped attending or are at risk of disengaging
- Need more emotional support to access their learning
- Identify as LGBTQIA+
- Are Aboriginal or Torres Strait Islander
- Come from culturally and linguistically diverse backgrounds
- Are living with disability or learning differences
- Experiencing social or economic hardship

## WHAT WE OFFER

We offer an inclusive school environment designed to reduce the barriers many students face. No uniforms. No homework. Later starts. Shorter days. Our flexible approach helps students feel safe, understood, and ready to reconnect with their learning.

## WHAT WE TEACH

**Years 7-10:** Individualised, skill-based learning guided by the Victorian Curriculum, with a focus on literacy, numeracy, and re-engagement.

**Years 11-12:** Students can complete their schooling through the VPC or VCE Vocational Major, with access to onsite VET certificates.

## WHERE WE ARE

We have two campuses:

📍 Box Hill: Years 7–10

📍 Chadstone: Years 11–12
