Berengarra is a specialist independent secondary school for students in Years 7-12 who need a different kind of learning environment. Since 1977, we have provided a supportive, inclusive alternative where wellbeing comes first and learning is personalised.

Who we support

- Young people navigating anxiety, autism, ADHD or trauma
- Students who feel overwhelmed or unsafe at school
- Those who have stopped attending or are at risk of disengaging
- Young people needing additional emotional support to access learning
- Students who identify as LGBTQIA+
- Aboriginal or Torres Strait Islander students
- Students from culturally and linguistically diverse backgrounds
- Young people living with disability or learning differences
- Students experiencing social or economic hardship

What we offer

A supportive environment

No uniforms. No homework. Later starts and shorter days. Our flexible approach helps students feel safe, understood, and ready to reconnect with learning.

Learning that fits

Years 7-10: Individualised, skills-based learning guided by the Victorian Curriculum, with a focus on literacy, numeracy and re-engagement. Years 11-12: VPC or VCE Vocational Major, with access to on-site VET certificates.
